Before the proceedings began, Mr. C. N. Narasinga Rao, Municipal Councillor, said that with the permission of the President and the Council, he would move a resolution of condolence on the sad and untimely death of Mr. M. G. Srinivasa Rao, Professor of Chemistry, Central College, which sad event occurred at the early hours of this morning. Mr. Narasinga Rao spoke of the very high attainments of Mr. M. G. Srinivasa Rao in the field of Chemistry and of his very amiable qualities and of his love towards the students, which was apparent from the large number of students that assembled at his residence this morning.

Mr. D. Gopalakrishna Rao then spoke feelingly of the late Mr. M. G. Srinivasa Rao.

The President also associated himself with all that was said of the late Mr. M. G. Srinivasa Rao and moved the following resolution, which was carried unanimously, all the Councillors, Officers and Visitors, standing :—

"That this Council do record its deep sorrow and respect on account of the untimely death of Mr. M. G. Srinivasa Rao, M.A., Professor of Chemistry, Central College, Bangalore, which sad event took place at the early hours of this morning and that this resolution be communicated to the surviving members of the bereaved family."

The Proceedings of the meeting dated 7th January 1928, were read from the beginning up to the time when the President vacated the Chair. When the proceedings relating to the business transacted under the Chairmanship of Rao Bahadur Dr. C. B. Rama Rao were taken up for reading, Mr. N. Balakrishniah raised a point of order that the proceedings relating to that portion of the business be not read and recorded, as the meeting held under the Chairmanship of Dr. C. B. Rama Rao was not legally constituted, for the following reasons :—

(1) When the names of two members of the Council were duly proposed and seconded to occupy the Chair, a third member of the Council should have occupied the Chair temporarily to decide by taking votes as to who should preside.

(2) The resolution moved by Captain Y. V. Ayya and seconded by Dr. Royan to the effect that Mr. K. Nettakallappa do occupy the Chair, was not given effect to.

(3) When the names of two gentlemen had been duly proposed and seconded, votes should have been recorded by ballot, while as a matter of fact, the name of Rao Bahadur Dr. C. B. Rama Rao was put to vote, ignoring totally the name of Mr. B. D. Naidu.

Mr. C. N. Narasinga Rao raised a point or order that the objection cannot be taken at this stage of the meeting.
